Electrical Estimator

Position Summary

Central State Construction is seeking a detail-oriented and dependable Electrical Estimator to join our team. This position is responsible for preparing accurate and competitive estimates for primarily industrial, commercial, residential electrical construction projects, including both design-build and plan-and-spec work.

The ideal candidate is motivated, organized, and interested in long-term growth within the company while supporting the current team and helping expand the business.

Primary Responsibilities

- Prepare accurate and complete electrical estimates for bid submissions
- Review drawings, specifications, and project documents
- Perform quantity takeoffs and pricing
- Coordinate with vendors, subcontractors, and internal project teams
- Assist with project turnover and handoff to operations
- Identify scope gaps, exclusions, and potential cost impacts
- Support multiple bids and deadlines simultaneously

Candidate must meet one of the following

- High school diploma or GED with at least **7 years of electrical estimating experience.**
- IBEW Journeyman Electrician with at least **2 years of electrical estimating experience.**
- Bachelor's degree in Construction Management, Electrical Engineering, Engineering Technology, or related field with at least **5 years of electrical estimating experience.**

Software Requirements

Candidates must have experience with Microsoft Office Suite, including strong working knowledge of Microsoft Excel. Experience with electrical estimating, takeoff, and project management software is preferred. Familiarity with platforms such as ConEst, Procore, Trimble, or similar construction software is beneficial.

Work Schedule & Location

This is a full-time, in-office position. Located in Marshall, IL.

Standard Hours

Monday through Friday
7:00 AM – 4:00 PM Central Time

What We're Looking For

We are looking for someone who:

- Works hard and pays attention to detail
- Is dependable and team-oriented
- Communicates professionally
- Takes ownership of their work
- Wants to grow within the company
- Wants to help build and grow the business long term

Benefits

- **401(k)**
- **401(k) matching**
- **Dental insurance**
- **Vision insurance**
- **Health insurance**
- **Life insurance**
- **Paid time off**
